# SAFE SUMMER TRAVEL TIPS

## NO GO ZONES

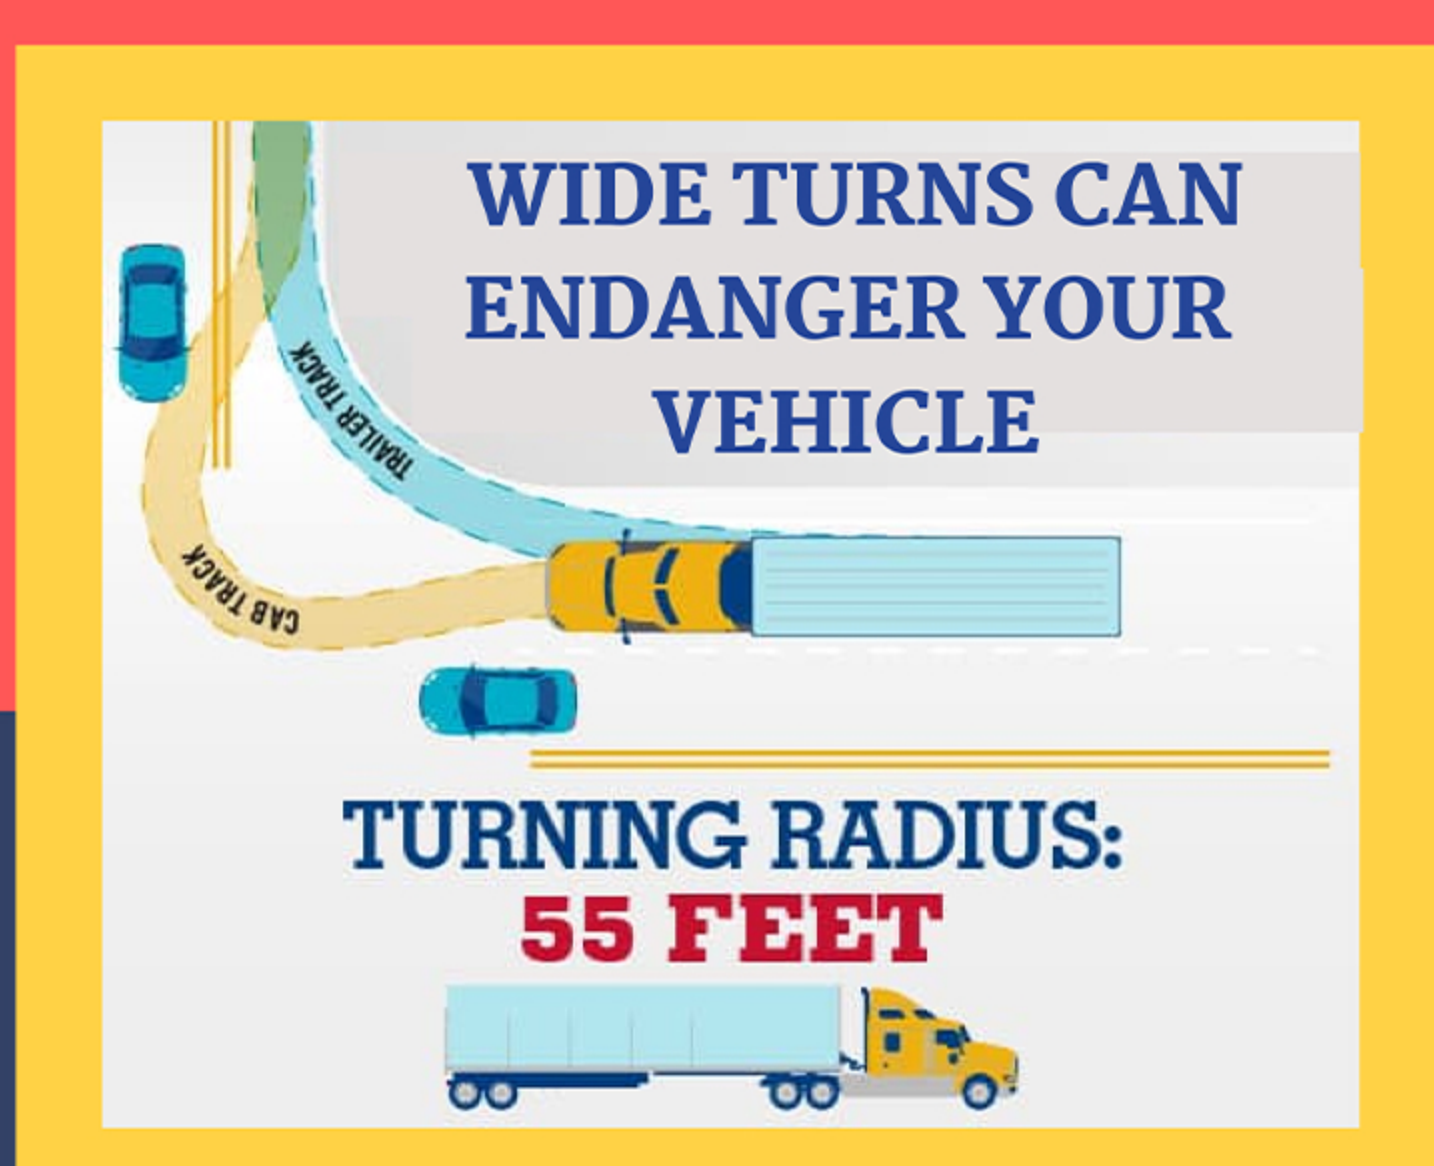

If possible, avoid blind spots (red zones). If you believe your vehicle is in danger, make some noise (blow your horn).

## SAFE PASSING

Larger vehicles take longer to stop. Make sure the truck or bus is visible in your rearview mirror before you pull in front to give extra space.

## WIDE TURNS

Buses and trucks swing wide. If possible, avoid the wide turn by positioning your vehicle outside the turning radius.
